Dear *F.R.O.M.M.* Partners and Friends of the Family,

Greetings in the Name of Jesus, our Lord! We have been running at a high rate of speed since last May, almost non-stop. Well, October 3rd arrived, and we drove up to our home in Lakeland, Florida where up to now, we have just visited once in a while. Our neighbors take care of the house and yard with the help of Nancy's son. We are thankful for this as there are a lot of unsaved people who live in our new neighborhood—if you know what I mean!

Someone asked, "Oh now, you are on vacation!" I wanted to say, "Give me a break, if you only knew." When you are traveling for months at a time, as we have been doing, and nobody in our office to keep up with correspondence, receipts, bills, filing and all the other stuff, everything piles up. As you can imagine, it takes weeks of sorting, and handling to get it all in order. And of course, we have our Board of Directors meeting prior to our annual reunion. You surely understand, and know that this is the part of the ministry neither Nancy nor I really enjoy doing. However, without it, the "real" ministry could not take place. So, okay, have I belly-ached enough? But as a reference, you will note that in our "prayer corner" Nancy has in the last month or two added the need for office worker—preferably one who has some bookkeeping knowledge as well as other secretarial qualifications.

Nancy and I were talking with a couple just a few weeks ago about what a great year this has been, espe-

(continued from front) cially that we have had open doors to ministry time in several unexpected places, souls won into the kingdom, and even new areas of ministry. All of this has been made possible by: partners contributing so faithfully each month, but equally if not more important, we can't do anything without the Lord's Calling and Direction. So it is with great excitement and anticipation that we look forward to sharing with you not only what has happened over 2011, but all the news about what God is preparing for this ministry in the coming months ahead.

So, in light of this, *we hope that you are making a commitment today*, to be at our annual reunion on November 12th in Jacksonville Florida. The meeting begins at 6:00 PM at the Isle of Faith Methodist Church on San Pablo Road between Atlantic and Beach Boulevards. We hope you will bring a friend, and a savory snack to share. If you can come early to help with set-up, that would be greatly appreciated! Many hands make light work! November is just around the corner, so see you soon. For we are all...

Dear Ones,

Yes, it is good to be home, and it would be even better, if we didn't have quite so much to do once we get here. But that is just life, isn't it?

You will note on our envelopes, and letterhead that we have a new address. The new **F.R.O.M.M.** mailing address is PO Box 2434, Lakeland, FL 33806. Our old address will be good for another 6 months, but we are making the transition complete, so as not to loose contact with any of you.

There are several more "new things" going on with F.R.O.M.M. which we will be announcing at our meeting on November 12th. Please make every effort to be with, not only us, but others like you, who have been helping to make a difference in many people's lives this year. And yes, we need help with set up and take down before and after the meeting. So hope to see you helping out, especially while we are getting those reindeer sausage and salmon strips ready to eat before the meeting.

Along with all the paper work, you will notice that I am painting (see picture below). Yes, the F.R.O.M.M. office building is receiving a new coat of paint on the outside, and hopefully in December or January will be receiving some new inside renovations, as well.

Eugene didn't tell you, but I want you to pray especially for him these next two months. He is undergoing injections in his back to improve his mobility. These injections are steroids, and while they may help him to become more mobile, they are having some other adverse affects, like his blood sugar is really elevated. So he is feeling a little—strange, yes, but this is more strange than he normally is. All jokes set aside, we need your prayers. God is the healer, and the Word says that Jesus was beaten with many stripes for our healing. It is already there, and we receive the manifestation of it.

Eugene desires to continue doing all that he has been called by God to do, and knows that God's plans are for good. So, need I say more? ....Except that, - we will see you in November!

Love always,

**Nancy**
